## GRANDS VINS DE BOURGOGNE

PREMIER CRU  
CHAMBOLLE-MUSIGNY  
Les Fuées

### GEOGRAPHIC DESCRIPTION

Chambolle takes its name from the bubbling appearance of the "Grône" stream. In 1878 the name of its best cru, Musigny, was appended to the village name. This A.O.C. is for red wine only and covers a total area of 182 hectares.

### GEOLOGICAL DESCRIPTION

The parcel is located just near the Grand Cru Bonnes-Mares. "Fuée" is a Burgundian word designating the surface that one man can work in one day thanks to his hoe. The vines are planted on rather stony soil composed of marl. The limestone bedrock that dominates this vineyard is quite cracked.
